We will determine the final plan Wednesday night.

Opening Hymn: We All are One in Mission. (tune: Aurelia)

- Mark strongly suggests this as a way to finish the acts alliance series.
Lyrics attached - sung to THE CHURCH'S ONE FOUNDATION
We will probably sing this in lower key
- Sherry I think you played this in a lowered key the last time I sang at the end of May – do you have that arrangement? I guess Dianne could just lower the key transposer on the piano.
- Mark Says there is also a choral arr. in the files they have used for Unified Worship a few times - pretty easy - has a little choral fanfare to start then the three verses, and I think a very short choral tag at the end

Sermon Hymn Hark the Voice of Jesus Calling / or Go Forth in His Name

LSB setting

Use LSB setting in F. Hark the Voice of Jesus Calling

LW 318

Use LW words" good to go for screens this week

Communion: See Communion Anthems and Hymns above

Communion Hymn: LET YOUR HEART BE BROKEN

simple 4 part setting (melody "Glory Be to Jesus" -- lyrics attached

Communion Anthem: SEND ME O LORD

an anthem you taught the choir and I've led at least twice, also

See the order of service on the webpage

Sending Hymn: GO FORTH in his Name – refrain could be sung 2x for closing hymn. some of Mark's other comments about hymns

3. GO FORTH IN HIS NAME -- the arrangement you developed a few months ago. possibly as sermon hymn, or sermon response -- feels too long to be at very end of service with communion (just need a short closing hymn there) -- or this could be sung during communion, possibly - though it might feel too loud/aggressive?

Other hymn ideas -

- Send Now O Lord, to Every Place -- LW 316 - think I've adjusted the lyrics a bit on this one -- v2, adjusted to be "Send us, our eyes have seen the King" - adjustments to be more personally involved in mission -- not just sending missionaries overseas etc. If you want to go with this, I can likely find those lyrics on Tuesday
